The document at hand aims at defining the list of the topics covered or to be covered by eu-LISA ECRIS-TCN training activities until the end of 2024. All training and related material is/will be made available to trainees on eu-LISA Learning Management System.

This document helps the reader to easily identify any further needs, i.e. any topic not covered by eu-LISA training, and then to be considered as additional training needs to be managed by 2025 eu-LISA training plan for MS and stakeholders.
