1. INFORMATION ABOUT THE AGENCY

We are eu-LISA, the European Union Agency for the Operational Management of Large-Scale IT Systems in the Area of Freedom, Security and Justice. We are proud to design, develop and operate...
large-scale information systems at the heart of Schengen, in the area of internal security, border management and judicial cooperation. Our core mission is to keep Europe safe through technology, operating IT systems and providing services related to EU Justice and Home affairs policies. We aim to help the EU Citizens feel safe, protected, free, fairly treated and part of a united Europe.

Join us to become part of our organisational culture, an inclusive and diverse people centric environment. We believe in “Together as one, we are making it happen”. We want our people to feel respected, valued and empowered. With a workforce consisting of more than 24 different nationalities, we embrace the international work environment and collaborate with colleagues from diverse backgrounds. It is our policy to provide equal employment opportunities for all applicants regardless of gender, race, disability, age, religion or belief, political views, sexual orientation, marital status or family situation, language, social origin, ethnicity or being part of a national minority.

We believe in creating a positive and enjoyable work environment for our people and we take pride in nurturing a work environment that values and recognises the contributions of our team members. As an organisation, we understand the importance of employee recognition in driving motivation and creating a fulfilling workplace.

Please visit our website and discover more about eu-LISA’s core activities.

2. THE OPERATIONS UNIT

A mission of the Operations Unit (OPU) is to ensure the 24/7 operational management of the Digital Solutions with the business systems functioning within the Service Level Agreements. This is executed via the monitoring of the operations and the performances of the large-scale IT systems on a 24/7 basis, the provision to its customers of a 24/7 operational contact point, the coordination of operational processes (incidents, problems etc.), the detection and first response to incidents (including security incidents), the provision of technical support and expertise on the Digital Solutions from an applications and databases perspective and the maintenance of the systems in Operations.

The Operations Unit (OPU) is composed of the Operations Services Centre and the Solutions Operations and Maintenance Sector.

This SNE call is for the Solutions Operations and Maintenance Sector.
3. THE SECONDMENT

SNEs are seconded to eu-LISA according to the Decision No 2012-025 of the Management Board of eu-LISA as of 28 June 2012.

SNEs should enable eu-LISA to benefit from the high level of their professional knowledge and experience, in particular in areas where such expertise is not readily available.

The SNEs employer shall undertake to continue to pay his/her salary, to maintain his/her administrative status throughout the period of the secondment. The SNEs employer shall also continue to be responsible for all his/her social rights, particularly social security and pension.

SNEs shall assist eu-LISA’s statutory staff members. They may not perform middle or senior management duties, even when deputising for their immediate superior. Under no circumstances may an SNE on his/her own represent the Agency with a view to entering into commitments, whether financial or otherwise, or negotiating on behalf of eu-LISA.

The SNE shall carry out the duties and conduct his/her tasks solely within the interests of eu-LISA. He/she shall neither seek nor take instruction from any government, authority, organisation nor person outside the Agency. He/she shall carry out the duties assigned objectively, impartially and in keeping with his/her duties of loyalty to the EU.

The initial period of the secondment may not be less than six months nor more than two years. It may be renewed once or more, up to a total period not exceeding four years, at the request of eu-LISA.

Exceptionally, at the request of the concerned Head of Unit and where the interest of the service warrants it, the Executive Director of eu-LISA may authorise one or more extensions of the secondment for a maximum of two more years at the end of the four-year period.

The secondment is authorised by the Executive Director and effected by an exchange of letters between the Executive Director and the Permanent Representation of the Member State concerned, the associated country’s mission to the EU or the intergovernmental organisation (IGO).

The SNE is entitled, throughout the period of the secondment, to a daily subsistence allowance and a monthly subsistence allowance, applicable to the place of secondment.

The selected applicant will need to have, or be in a position to obtain, a valid Personnel Security Clearance Certificate (SECRET UE/EU SECRET). A Personnel Security Clearance Certificate (PSCC) means a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access, the date of validity of the relevant PSC and the date of expiry of the certificate itself. For more information about EUCI please consult the Decision of the
Agency Management Board, nr 2019-273, setting the Security Rules for Protecting EU Classified Information in eu-LISA.

Applicants, who currently hold a valid security clearance, shall provide a copy of the security clearance to eu-LISA and specify the issuing authority, level and date of expiry. In case the validity of the security clearance expires within six months, the renewal procedure to be initiated expeditiously. For applicants, who do not hold a security clearance, the procedure will be initiated expeditiously by eu-LISA. Failure to obtain the required security clearance certificate from the National Security Authority during the secondment, will give the right to eu-LISA to terminate the secondment.

4. TASKS AND RESPONSIBILITIES

Reporting to the Head of the Operations Unit (OPU) and under supervision of the Head of Solutions Operations and Maintenance Sector, the Information Technology Expert will be responsible for the following areas:

Service Delivery and Management:
- Deliver the service in line with business requirements and defined SLAs;
- Responsible for COTS renewal and maintenance support renewals;
- Ensure system performance aligns with business KPIs & SLA’s;
- Work closely with CMS, Procurement, and Finance teams to ensure smooth and timely operations with eu-LISA stakeholders;
- Identify and mitigate business risks in collaboration with the security team;
- Drive cooperation between business and technical teams to implement adaptive, preventive, and corrective maintenance;
- Support the DPO during DPIA review, updates, audits, and any potential data breaches.

Single Point of Accountability:
- Act as the primary link between the business, technical teams, contractors and EU/MS stakeholders;
- Ensure dedicated attention and accountability for service delivery.

Service-Related Issue Management:
- Serve as the Single Point of Contact for service-related issues under the control of process managers (Incident Management, Problem Management, Change Management, Release Management);
- Handle escalations to Member States and manage interactions between eu-LISA and contractors;
- Stay informed about changes, maintenances, and releases related to the service;
- Represent the Core Business Systems (CBS) across the organisation.

Stakeholder Liaison and Compliance:
- Serve as a liaison between internal and external stakeholders to prioritize items, support business requirements development, review current and future releases, and ensure compliance with IT standards and procedures;
- Participate in internal service review meetings and prepare monthly service reports.

Support and Enablement Activities:
- Work closely with Subject Matter Experts (SMEs) and key stakeholders to ensure testing, training, communication, and enablement activities are considered alongside technical delivery;
- Contribute to the timely review and approval of documents (DTS, CMDB, ICD, etc.) and produce reports for external and internal stakeholders;
- Generate and review reports regularly to identify actionable opportunities for service improvement.

Strategic Development and Roadmap Maintenance:
- Influence the development of technological services, advocate for new features and functionality where applicable;
- Maintain the service roadmap and ensure continuous alignment across systems by participating in the Request for Offer drafting and in major project milestones;
- Follow up on the development of EU legislation relevant to the specific service and provide consultative support from initiation to deployment;
- Budget consumption follow up and planning for next financial year maintenances activities.

Effective Information Sharing and Co-Operation:
- Maintain effective information sharing and cooperation with internal and external stakeholders;
- Provide and approve client communication for service launch and pending maintenance windows, and coordinate internal communication for operational staff.

Performing any other tasks in the area of competence, as assigned by the Head of Sector and/or Unit.

5. QUALIFICATIONS AND EXPERIENCE REQUIRED

5.1. Eligibility criteria

Applicants will be considered eligible for the selection based on the following formal criteria to be fulfilled by the deadline for applications:

- to be a national of one of the Member States of the European Union, Norway, Iceland, Liechtenstein or Switzerland and enjoy the full rights as a citizen;
- to be employed by a national, regional or local public administration or an Inter-Governmental Organisation (‘IGO’);
• to have worked for the employer on a permanent or contractual basis for at least 12 months before the secondment and shall remain in service of the employer throughout the period of secondment;
• to have a thorough knowledge of one of the European Union languages and a satisfactory knowledge of another European Union language to the extent necessary for the performance of the duties. SNE from non-member country must produce evidence of a thorough knowledge of one European Union language necessary for the performance of his/her duties.

*Only duly documented professional activity is taken into account. In case of part-time work, the professional experience will be calculated pro-rata in line with the workload stated by the applicant.*

*Compulsory military service or equivalent civilian service shall be taken into consideration as professional experience if the official documentation is provided.*

5.2. Selection criteria

Suitability of applicants will be assessed against the following criteria in different steps of the selection procedure.

5.2.1. **Professional experience and knowledge:**

*The applicant will be required to demonstrate that he/she has:*

- Proven experience in delivering services aligned with business requirements and defined SLAs;
- Demonstrated capability in managing COTS renewal and maintenance support renewals;
- Proven experience in driving cooperation between business and technical teams for adaptive, preventive, and corrective maintenance;
- Experience serving as the Single Point of Contact for service-related issues managed by process managers;
- Experience in participating in internal service review meetings and preparation of monthly service reports;
- Demonstrated understanding of agile delivery methodologies;
- Strong drafting and communication skills in English both orally and in writing, at least at level C1.

5.2.2. **Besides the following attributes would be advantageous:**

- Previous work experience with the agency’s systems from MS perspective is highly desirable;
- Technical education or background, such as a degree in Computer Science, Information Technology, or a related field, is considered advantageous;
- Proven customer-oriented mindset, with a focus on understanding and meeting the needs of stakeholders;
- Experience in ITSM, Service desk/case management applications, Customer Support or other relevant domain.
5.2.3. **Personal qualities**

**Attributes especially important to this post include:**

- Excellent drafting and communication skills;
- Ability to communicate complex ideas and issues to a variety of stakeholders;
- Ability to handle multiple tasks, ability to work independently, capability to organise, plan and deliver high quality work under tight timelines;
- Great analytical and problem-solving skills, ability to think creatively and identify new opportunities, pro-activeness and strong sense of initiative and responsibility;
- Ability to understand and manage complex situations, with multiple stakeholders, and to take effective decisions in uncertain conditions;
- Ability to contribute to solution vision, roadmap, and content presentations;
- Strong interpersonal skills;
- Strong awareness of ethical matters and behavioral responsibilities when working in a publicly-facing organisation, as well as respect to the values of eu-LISA.4

6. **EQUAL OPPORTUNITIES**

eu-LISA applies an equal opportunities policy and accepts applications without distinction on grounds of sex, race, color, ethnic or social origin, genetic features, language, religion or belief, political or any other opinion, membership of a national minority, property, birth, disability, age or sexual orientation.

7. **SELECTION PROCEDURE**

**The selection procedure includes the following steps:**

- Selection Committee designated by the Appointing Authority (eu-LISA’s Executive Director) is set up for the selection procedure;
- After registration, each application is checked to verify whether the applicant meets the eligibility criteria;
- All eligible applications are evaluated by the Selection Committee based on the selection criteria defined in the open call;
- The best-qualified applicants, who obtained the highest number of points, are short-listed for an interview, which may be complemented by a written competency test5;
- The interview and written test are conducted in English. In case English is a mother tongue of an applicant, some interview or test questions may be held in language indicated by the applicant on the application form as the 2nd EU language;
- During the interview and the written test, the Selection Committee examines the profiles of applicants and scores the applicants in accordance with the selection criteria;

4 [https://www.eulisa.europa.eu/About-Us/Values](https://www.eulisa.europa.eu/About-Us/Values)

5 The Selection Committee has the discretion to choose between remote and on-site interviews/tests as deemed appropriate. For remote interviews, the Selection Committee reserves the right to conduct the interview using an online video interviewing tool for synchronous and/or asynchronous (e.g., recorded) interviews.
After the interviews and tests, the Selection Committee draws up a non-ranked list of the most suitable candidates to be included on a reserve list for the post and proposes it to the Appointing Authority. The Selection Committee may also propose to the Executive Director the best suitable applicant to be offered secondment for the post;

The Appointing Authority chooses from the reserve list an applicant to whom to offer the secondment;

Applicants put on the reserve list may also be used for secondment to a similar post depending on the needs of the eu-LISA and budgetary situation as long as the reserve list is valid;

The reserve list established for this selection shall be valid until 31 December 2025 (the validity period may be extended);

Each applicant invited for an interview will be informed whether or not he/she has been placed on the reserve list. **Applicants should note that inclusion on a reserve list does not guarantee a secondment by eu-LISA.**

The Selection Committee’s work and deliberations are strictly confidential and any contact with its members is strictly forbidden.

Because English is the working language of eu-LISA and because the successful applicant will be requested to immediately be operational, the selection procedure will be performed in English and all communication with applicants will be held in English.

**8. PROTECTION OF PERSONAL DATA**

eu-LISA ensures that applicants' personal data is processed in accordance with Regulation (EU) No 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

The purpose of processing personal data is to enable selection procedure.

The selection procedure is conducted under the responsibility of the eu-LISA's Human Resources Unit (HRU), within the Corporate Services Department. The controller for personal data protection purposes is the Head of HRU.

The information provided by the applicants will be accessible to a strictly limited number of staff members of the HRU staff, to the Selection Committee, and, if necessary, to the Executive Director, Security and/or the Legal Officer of eu-LISA.

Almost all fields in the application form are mandatory; the answers provided by the applicants in the fields marked as optional will not be taken into account to assess their merits.
Processing begins on the date of receipt of the application. Our data storage policy is as follows:
- for applications received but not selected: the paper dossiers are filed and stored in archives for 2 years after which time they are destroyed;
- for applicants placed on a reserve list but not recruited: data is kept for the period of validity of the reserve list + 1 year after which time it is destroyed;
- for recruited applicants: data is kept for a period of 10 years as of the termination of employment or as of the last pension payment after which time it is destroyed.

All applicants may exercise their right of access to and right to rectify personal data. In the case of identification data, applicants can rectify the data at any time during the procedure. In the case of data related to the admissibility criteria, the right of rectification cannot be exercised after the closing date of applications’ submission.

Any substantiated query concerning the processing of his/her personal data can be addressed to HRU at eulis-SNEPOSTING@eulisa.europa.eu

Applicants may have recourse at any time to eu-LISA’s Data Protection Officer (dpo@eulisa.europa.eu) and/or the European Data Protection Supervisor (edps@edps.europa.eu).

9. APPLICATION PROCEDURE

In order for application to be valid and considered eligible, the applicant is required to submit:

- eu-LISA standard application form filled in in English and hand-signed (scanned into PDF format);
- proof of the National Administration Authorisation – Form 1A (Employer authorisation for SNE applicant), provided on eu-LISA website;
- a copy of security clearance (if available).

Applications must be sent by the Permanent Representation or a national contact point or by the associated countries competent authority or the administration of IGO to the following e-mail address before the deadline: eulisan-SNEPOSTING@eulisa.europa.eu. Please liaise with yourPermanent Representation to ensure that your application meets deadline.

The standard application form can be downloaded from eu-LISA website: http://www.eulisa.europa.eu/JobOpportunities/Pages/SecondedNationalExpert.aspx

The closing date for submission of applications is:
- 16 September 2024 at 23:59 EEST (Eastern European Summer Time) and 22:59 CEST (Central European Summer Time).
The subject of the e-mail should include the **title of the Open Call and Reference No eu-LISA/24/SNE/2.1.**

Incomplete applications and applications received by eu-LISA after the deadline will be disqualified and treated as non-eligible.

Applicants are strongly advised not to wait until the last day to submit their applications, since heavy internet traffic or a fault with the internet connection could lead to difficulties in submission. eu-LISA cannot be held responsible for any delay due to such difficulties.

Once the applications have been registered, applicants will receive an acknowledgement message by e-mail confirming the receipt of the application.

Please note that if at any stage of the selection procedure it is established that any of the requested information provided by an applicant is false, the applicant in question will be disqualified.

In case of any queries about the selection process, please contact through the e-mail: eulisa-SNEPOSTING@eulisa.europa.eu.
