<http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

¹² See previous note.

- A Selection Committee designated by the Appointing Authority (‘the Executive Director of eu-LISA’) is set up for the selection procedure;
- After registration, each application is checked to verify whether the applicant meets the eligibility criteria;
- All the eligible applications are evaluated by the Selection Committee based on a combination of certain selection criteria defined in the vacancy notice. Some criteria will be assessed only for short-listed applicants during interviews and tests. Certain selection criteria may be assessed jointly and some criteria may be assessed in two or more steps of the selection procedure;
- The best-qualified applicants, who obtained the highest number of points, are short-listed for an interview, which will be complemented by a written competency test;

- In order to be considered for inclusion on the reserve list, an applicant must receive at least 50% of the maximum points from the evaluation of the interview and the written test phase;
- The Selection Committee draws up a non-ranked list of the most suitable candidates to be included on a reserve list for the post and proposes it to the Appointing Authority. The Selection Committee may, simultaneously, also propose to the Appointing Authority the best suitable candidate to be engaged for the post;
- The reserve list established for this selection procedure will be valid until 31 December 2021 (the validity period may be extended);

- Applicants placed on the reserve list may be engaged for a job for the same or a similar post depending on the needs of eu-LISA and its budgetary situation, as long as the reserve list is valid;
- The interview and the written test are conducted in English. In case English is the mother tongue of an applicant, some interview questions or test questions will be in the language they indicate on the application form as their 2nd EU language;
- Each applicant invited for an interview phase will be informed by letter whether or not he/she has been placed on the reserve list. Applicants should note that inclusion on a reserve list does not guarantee engagement.

Please note that the Selection Committee’s work and deliberations are strictly confidential and that any contact with its members is strictly forbidden.

Because English is the working language of eu-LISA and because the successful applicant will be requested to immediately be operational, the recruitment procedure will be performed in English and all communication with applicants will be held in English.

8. ENGAGEMENT AND CONDITIONS OF EMPLOYMENT

The selected applicant will be engaged by the Authority Authorised to Conclude Contracts of employment (‘eu-LISA’s Executive Director’) from the established reserve list.

A Personnel Security Clearance Certificate (PSCC) means a certificate issued by a competent authority establishing that an individual is security cleared and holds a valid national or EU PSC, which shows the level of EU Classified Information (EUCI) to which that individual may be granted access (CONFIDENTIEL UE/EU CONFIDENTIAL or above), the date of validity of the relevant PSC and the date of expiry of the certificate itself. For more information about EUCI please consult the Commission Decision (EU, Euratom) 2015/444 of 13 March 2015 on the security rules for protecting EU classified information.

Applicants who currently hold a valid security clearance shall provide a copy of the security clearance to eu-LISA and specify the issuing authority, level and date of expiry. In case the validity of the security clearance expires within six months, the renewal procedure will be initiated expeditiously.

Note that the necessary procedure for obtaining a PSCC can be initiated on request of the employer only, and not by the individual applicant.

Failure to obtain the required security clearance certificate from the successful applicant's National Security Authority, either during or after the expiration of the probationary period, will give the right to eu-LISA to terminate any applicable employment contract.

¹³ The correction coefficient is subject to a regular update.

9. PROTECTION OF PERSONAL DATA

eu-LISA ensures that applicants' personal data is processed in accordance with Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data (12.1.2001, OJ, L 8).
