**Definition of conflict of interests**

A conflict of interest generally refers to a situation where the impartiality and objectivity of a decision, opinion or recommendation of eu-LISA is or might be perceived as being compromised by a personal interest held or entrusted to a given individual.
eu-LISA processes all declarations of interest (DoI), pursuant to Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community Institutions and bodies and on the free movement of such data.

The purpose of the processing operations aims at avoiding conflicts or interests to protect the integrity of eu-LISA decisions from illegitimate interests.

The DoI processing is based on Article 5(a) of Regulation (EC) No 45/2001 according to Article 19 1(i) of Regulation (EU) 1728/2018 on eu-LISA and Article 41(4) of the Financial Regulation of eu-LISA.

For publication, only the names of members of the Management Board shall be made available, based on Article 5(b) of Regulation (EC) No 45/2001.

The MB Secretariat of the eu-LISA collects, keeps, and safeguards all DoIs completed by the MB and AG members, in line with the form in Annex 1, together with assessments results as items of the MB and AG files.

Data subjects can exercise their rights of access and rectification of the factual data at any time before the closure of the appraisal process by contacting the unit at:

management-board@euLisa.europa.eu

The categories of data processed are: name, position, previous or current employment, ownership or other investments, including shares, membership of a managing body or entity, intellectual property rights, spouse/partner and dependant family members, current activity, and other relevant interest, which might create a conflict of interest in the performance of duties of the declarant.

DoIs may be completed on paper or electronically.

The recipients of the DoIs are the persons and bodies identified in these rules. DoIs may be transferred to bodies in charge of a monitoring or inspection task in conformity with Union Law, including the European Court of Auditors, the Internal Audit Service of the EC, the Internal Audit Capability of eu-LISA, OLAF, the European Ombudsman and the European Data Protection Supervisor.

The conservation period of DoI per category of data subjects is five years from the date of submission of the relevant DoI, which can be extended for a specific period as long as duly justified.

Data subjects have a right to access their DoI and to update or correct it at any time. In case eu-LISA has knowledge of information that is not consistent with the declared interest, or in case of failure to submit a DoI, the data subject concerned are contacted with the purpose to update the DoI on the missing information. In case a breach of the rules procedure is opened, the data subject is notified without delay.

The Data Protection Officer of eu-LISA (DPO) will ensure the compliance of these rules with the data protection legal framework. Data subjects also are entitled to have recourse at any time to eu-LISA's DPO (dpo@euLisa.europa.eu) or directly to the European Data Protection Supervisor (edps@edps.europa.eu) http://www.edps.europa.eu.
