Question 1.1

“Annex IV- Service Requirements” chapter 4: For Lots 3 and 4, could you please clarify if the supply will be implemented by the purchase of equipment by eu-LISA, or by a leasing or rental contract?

Answer 1.1

For the Lots 3 and 4 all the options including renting, leasing are applicable. We foresee mainly the need of purchasing the security and safety-related products and services, but it is possible that we will need rental and/or leasing of specific equipment in the future under these Lots.
